2x Fusion XS 6.5" Speakers

OPTIONAL ACCESSORIES

Bow Sundeck Kit
Bow Sundeck Kit Extension
Bimini Top
Shower Kit with 50L Water Tank
Scanstrut Rokk Wireless Phone Charger

GRAND G500

THE BOW

The generous bow lounge offers comfortable room for sunbathing and relaxing, with integrated cupholders. The inclusion of a sundeck kit extends this sun bed area out, creating space to comfortably sit a family of four. Underneath the bow sun lounge, two deep storage compartments offer space to stow your anchor, toys and equipment.

The surrounding tube-mounted railings enhance safety and comfort, while creating the sense of a higher freeboard in this area. The bow step plate is wide enough to create a stable platform for accessing the boat from a pontoon, and also hosts a recessed cleat, navigation lights and anchor roller.

GRAND G500

THE CONSOLE

The curved, low profile console is finished with a windscreen, railings and wide dashboard, which can house a 9" chart plotter. Situated comfortably in front of the wide helm seat, the G500's console is ergonomically designed to make longer cruises even more comfortable at the helm.

Situated in front of the console, a wide front seat with cushioned backrest offers additional seating and storage, opening up to reveal a spacious locker compartment within.

HELM SEAT

The wide rear helm sofa provides cushioned comfort for two people while underway, with in-built railings on both sides for additional safety.

The helm seat opens up and provides a generously deep storage compartment underneath, perfect for stowing toys and equipment.

REAR SECTION

Behind the rear sofa, access to the rear section behind the helm seat is easy, and it is here that you'll find stern step ends, two swimming platforms, and a telescopic boarding ladder with railings, which make getting in and out of the water or off of a beach landing easy and safe.

The addition of a navigation and ski arch empowers your waterski or wakeboarding activities too.

SUN SHADE

The bimini top provides extensive shade over the helm and rear seating. When not in use, the shade rolls backwards and collapses back towards the waterski arch.

GRAND G500

The background of the entire image is a repeating pattern of the Grand G500 logo. The logo consists of a stylized, bold letter 'G' with a small arrow pointing upwards and to the right, all contained within an oval border. The pattern is light gray and covers the entire background.
