Scanstrut Rokk Wireless Active Phone Charger

OPTIONAL ACCESSORIES

Bow Sundeck & Table Kit
Bow Sundeck Kit Extension
Bimini Top
Shower Kit with 91L Water Tank
Scanstrut Atmos 12v Inflator

THE BOW

The comfortably spacious bow section offers ample room for sunbathing and relaxing, with integrated cupholders on the sun bed. A removable table can be positioned between the bow lounge and the console seat, creating space for a meal on the water. This table additionally converts into an extended sun bed, by lowering table and adding the extendible sun bed cushion on top to extend the bow lounge out further.

A deep storage locker sits beneath the bow sun bed, while a large bow step plate houses a recessed mooring cleat and an anchor roller. The entire bow is also encompassed by a tube-mounted railing, which enhances safety and comfort while increasing the freeboard in this area.

THE CONSOLE

The curved, ergonomic console on the G580 is space-effective and offers generous storage. The dashboard can house a 9" chart plotter, and is typically tailored with electronics such as a Scanstrut Wireless Phone Charger, Fusion Stereo, Garmin VHF and more. Two cupholders and a deep glovebox provide storage at the helm, while the recessed positioning of the steering wheel creates additional space behind the dash. A grab rail all-around the console provides additional safety at the helm.

The front seat on the other side of the console opens up to offer an additional generous storage compartment.

HELM SEAT

The two seats at the helm provide cushioned comfort whilst underway. The two bolster seats rotate, enabling the driver and passenger to flip the seat from leaning to sitting easily.

Built into the back of the helm seat is an additional storage compartment as well as additional handrails and two cupholders.

REAR SECTION

At the stern, a moulded rear sofa comfortably seats 2 - 3 passengers, encompassed by a handrail to ensure the comfort of passengers while underway. Underneath the sofa is another generous storage compartment.

Behind the rear sofa, you'll find two rear rope lockers and the option to have an aft deck shower. The stern step ends and swimming platforms with a telescopic boarding ladder and railings make getting in and out of the water easy and secure.

SUN SHADE

The bimini top provides extensive shade over the helm and rear seating. When not in use, the shade rolls backwards and collapses back towards the waterski arch.

The background of the entire image is a repeating pattern of the Grand G580 logo. Each logo consists of a stylized 'G' with an arrow pointing upwards and to the right, all contained within an oval border. The logos are light gray and arranged in a staggered grid.
