The joy is in the journey

# GRAND G750

# DESIGNED FOR THE FAMILY CRUISERS

So much more than a rigid inflatable boat, the Grand G750 brings tasteful, distinctive design to luxury, comfortable cruising. Powered by up to 250HP, this 7.5m boat effortlessly elevates your adventures, cutting cleanly through even the choppiest waters. Rich in premium features including an onboard toilet, tap & sink, aft deck shower, fridge-freezer, electric anchor, speaker system and more, this boat offers a functional social layout with a centre console walk-around design and provides ample room to relax on large sun beds and store away gear in spacious lockers.

GRAND G750

# GRAND G750

## SPECIFICATION

Overall Length	730 cm
Internal Length	557 cm
Overall Width	285 cm
Internal Width	170 cm
Tube Chambers	5
Engine Max	250 HP
Recommended Engine	250 HP
Passenger Capacity	10
Fuel Tank	260 L
Water Tank	75 L
Bare Boat Weight	740 kg
Total Package Weight	1683 kg
Midsection/Aft Deadrise	25°/20°
Tube Material	Hypalon
Hull	Fibreglass
Upholstery	Silvertex
Flooring	SeaDek

## STANDARD FEATURES

Deep V Hull  
Inflatable Hypalon Tubes  
Keel & Tube Protection  
Bow Step Plate with Mooring Cleat  
Large Bow With Cushioned Back Rest & Two Lockers  
Tube Mounted Bow Handrails  
Fibreglass Steering Console with Windscreen  
Hydraulic Steering Wheel  
Electrical Package (NAV Lights, Battery Switch, Bilge Pump & Console Switches)

U Shape Moulded Rear Seat With Storage  
Helm Seat with Flipping Bolster Seats  
Ski Tower  
Swimming Platforms with Ladder  
Integrated Bow & Stern Lifting Eyes  
Overall Cover & Harbour Cover  
Powder Coated Stainless Steel  
SeaDek Foam Flooring  
Silvertex Premium Upholstery  
260L Under Floor Fuel Tank

## RECOMMENDED ELECTRONICS

Garmin GPSMAP 1253xsv  
Fusion RA670 Stereo  
6x Fusion Apollo 7.7" Speakers  
Fusion 6 Channel Amplifier  
Garmin 215i VHF  
Scanstrut Rokk Wireless Active Phone Charger

## OPTIONAL ACCESSORIES

Electric Windlass  
Electric Toilet with Holding Tank  
Bow Sundeck Kit  
Stern Sundeck Kit  
Shower Kit & Water Tank  
Sink, Tap & Water Tank  
Fridge with Freezer Compartment  
Fibreglass T-Top or Bimini Top  
Bow & Stern Canvas Sun Shade  
Scanstrut Atmos 12v Inflator

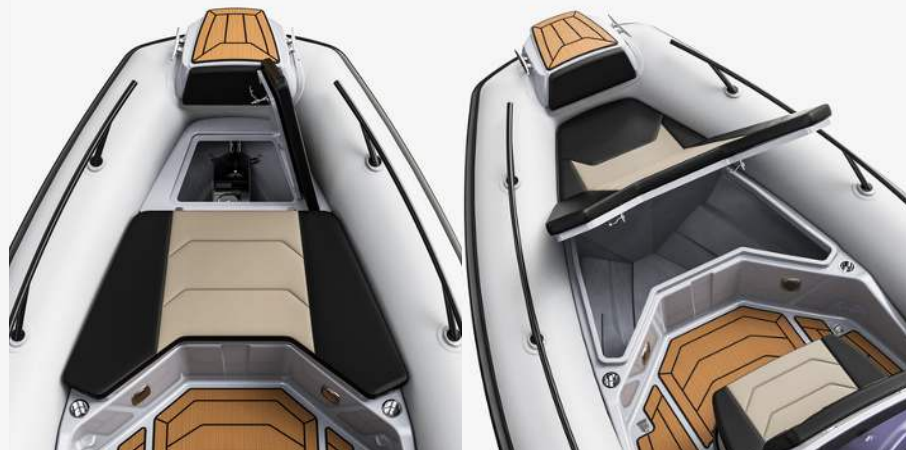

## THE BOW

The spacious bow section offers ample room for sunbathing, with space enough to comfortably fit two adults. An optional sundeck extension kit opens this lounge area up further, connecting with the console seat to create a longer sun bed. The bow is encompassed by a tube-mounted railing, which enhances safety and comfort while increasing the freeboard in this area.

Underneath the cushions sit two deep bow compartments - one dedicated to housing the electric windlass. Behind the cushioned backrest, the large bow step plate with mooring cleats provides an additional access point for the boat.

# THE CONSOLE

The large dashboard display - protected by a windshield and encompassed by grab railings - can be customised entirely to your needs. Capable of housing up to two 17" screens, the dashboard traditionally houses twin Garmin chart plotters, a Scanstrut Wireless Phone Charger, Fusion Stereo, Garmin VHF and more. Two cupholders and a deep glovebox provide storage at the helm, while the recessed positioning of the steering wheel creates additional space behind the dash.

To the other side of the console, a spacious compartment sits within the console and deep into the hull; a great storage space, changing room, or often installed with an electric toilet.

# HELM SEAT

The two seats at the helm have provides cushioned comfort whilst underway. The two bolster seats rotate, enabling the driver and passenger to flip the seat from leaning to sitting easily.

Built into the back of the helm seat are two cupholders and additional storage lockers, which can be upgrades to house a 62 litre refrigerator-freezer, as well as a sink with a faucet.

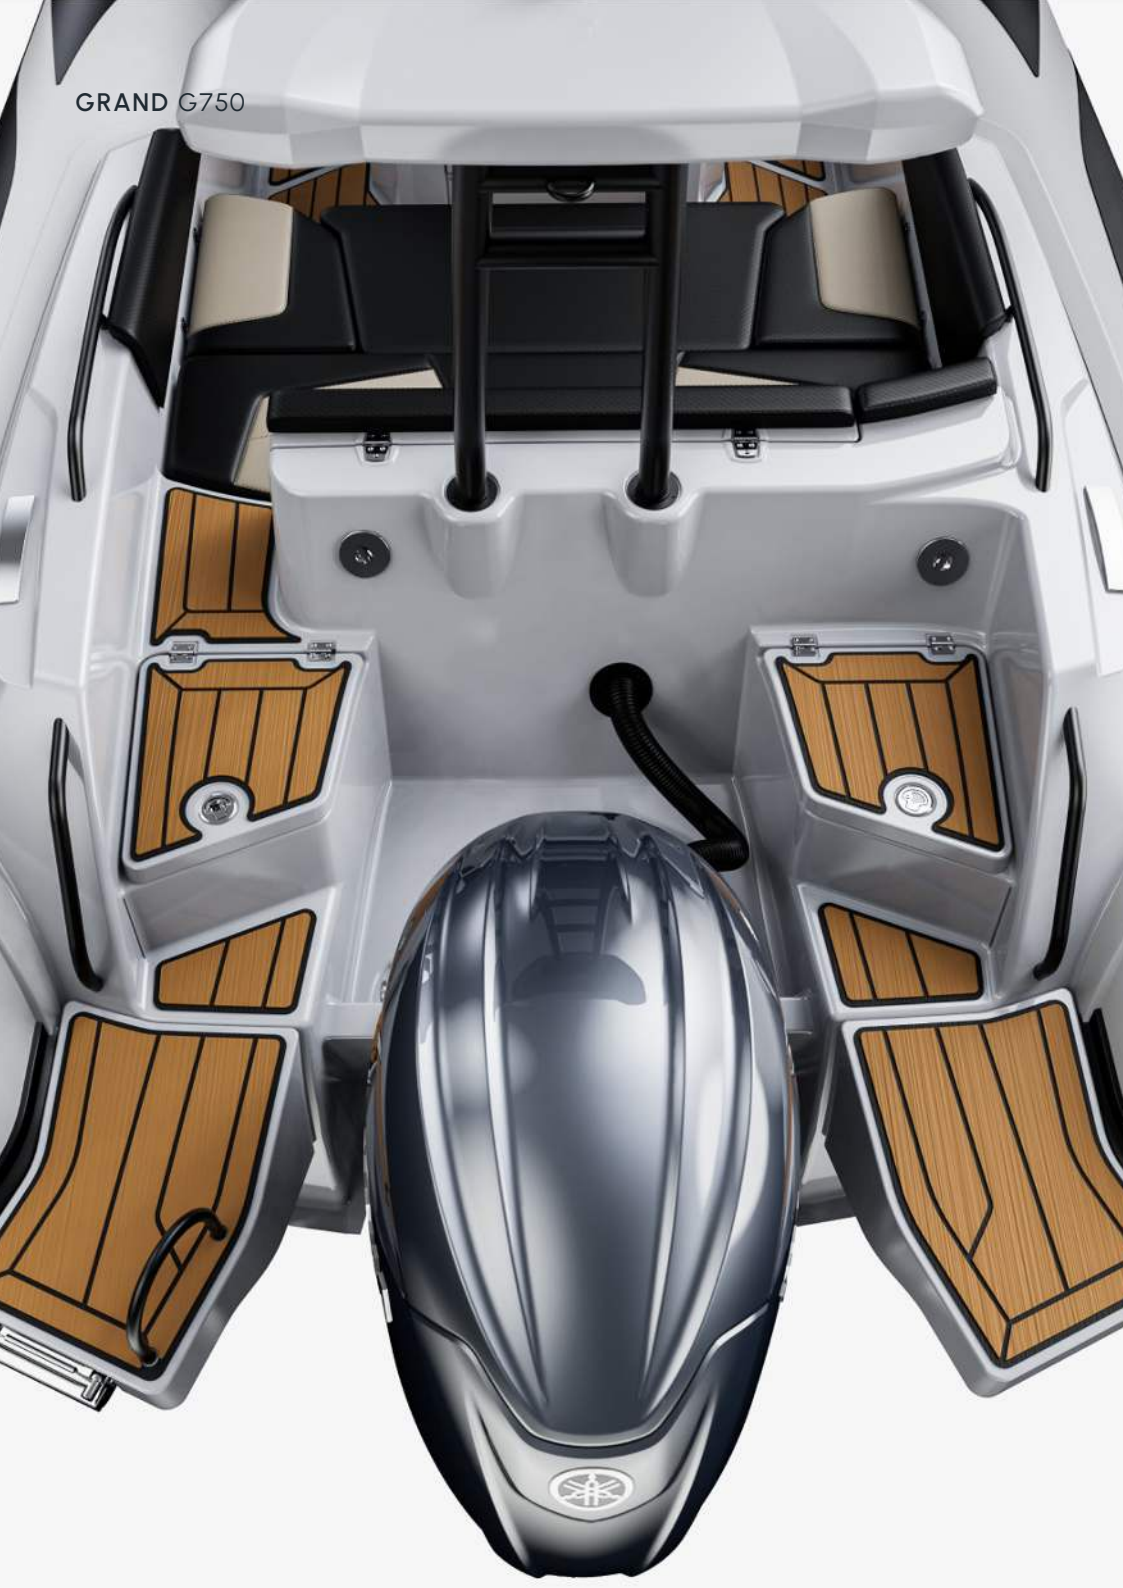

# THE STERN

The stern provides comfort, space and functionality for entertaining and relaxing while on the water. A U-shaped moulded rear sofa comfortably seats 5 - 6 people, and holds a generous middle storage compartment, as well as two additional side lockers. Handrails all around ensure that passengers feel comfortable while underway.

A removable table makes this a great area for enjoying a meal. Or, lower the table down and add the extendible sun bed kit to extend the sun lounging area.

## REAR SECTION

The functional, well-thought-out rear section of the G750 has been designed with traffic flow and space in mind. The unobstructed path from the rear sofa to the step ends creates easy passage to the rear swim platforms. A telescopic boarding ladder and handrails ensure that getting in and out of the water is safe and convenient.

Two additional rear rope lockers provide additional storage space in this area. An aft-deck shower can also be optioned and fitted here to wash down after emerging from the water.

# SUN SHADE

The fibreglass t-top sits at 1.9 metres in height and effectively shelters the driver and passenger at the helm. Ergonomic and incredibly aerodynamic in its design, the fibreglass top has integrated spots for built-in speakers as well as a VHF and is suitable for additional equipment such as radar.

The addition of sun tops that extend outwards to the bow and stern from this t-top ensures that sun protection is maximised at all points onboard. Alternatively, opt for a collapsible bimini top.

GRAND G750

The background of the entire image is a repeating pattern of the Grand G750 logo. Each logo consists of a stylized, bold letter 'G' with a small arrow pointing upwards and to the right, all contained within an oval border. The logos are light gray and arranged in a staggered grid.
