

THE JOY IS IN THE JOURNEY

Luxury fibreglass rigid inflatable boats & tenders, designed differently.

DESIGNED FOR THE HORIZON SEEKERS

Contemporary styling, sleek silhouettes, deluxe interiors and purposeful practicality define the Grand approach.

Distinctive in their design, our fibreglass centre console RIBs and tenders offer comfortable rides and spacious interiors, underpinned by thoughtfully-designed layouts, maximised storage compartments and enhanced modern comforts & features.

Handcrafted in Europe for over two decades using world class materials, our tenders and cruising boats are customisable in their tubing, gel coat, flooring and upholstery colours. With over 120,000+ colour combinations available, it's easy to customise your Grand Boat to suit your style.

Whether you're looking for a family boat, yacht tender, wakeboarding boat, fishing RIB, or cruising craft, with 13+ tenders and RIBs available across our range, discover a boat that suits your lifestyle and elevates your days on the water.

GRAND S300

Our 3 metre lightweight tender model is compact but stable in its design. With a sleek exterior and functional interior, the S300 is a lightweight model design for those who seek a more simplistic tender offering. Perfect for couples, the S300 is fitted with a console, wide helm seat and a removable side seat for additional internal seating.

“ The Grand D600 is an immaculately finished sports rigid inflatable boat. The hull is ultra safe and stable, and the interior is nicely appointed, very well finished and outfitted...

JEFF WEBSTER

”

GRAND D600

The perfect blend of thrill and leisure, the Grand D600 is a stable and performance-orientated boat, inspired by the love of speed and dynamics. With a deep V hull and raised tubes that rest above the surface and minimise water resistance, this boat has a distinctive style and offers unmatched practicality. An open deck layout with eight deep storage lockers, the D600 brings versatility to your active, cruising trips on the water. Whether fishing, wakeboarding, diving, or spending time with family, the D600 creates room for whatever form your adventure takes.

THE DIFFERENCE IS IN THE DETAILS

Since 2001, Grand Boats has been committed to designing rigid inflatable boats differently.

We believe the joy of boating often comes from the little things; the subtle details that elevate your time on the water, often without you even noticing.

Our rigid inflatable boats and tenders are designed to bring people together, creating a space where everyone feels at home on the water.

This ethos drives our design philosophy: every curve, cushion and contour is intentionally crafted to elevate the moments you spend at sea.

Built for those who appreciate design, value practicality, seek comfort, and who refuse to compromise between performance, functionality or luxury.
